## Reaching the Generation to Come

“...unto this generation, and...every one that is to come.” Psalm 71:18

July 2019

“For whosoever shall call upon the name of the Lord shall be saved.” Romans 10:13

So many things have happened since we have arrived back in Honduras that we have not been able to share. This letter will get you a little more caught up on the news.

### Fabiola

What a joy it was to have the children’s Bible club in Centroamérica Oeste again after not being able to

have it for one reason or another for two months! One girl, Fabiola, (pictured above) came shortly after we arrived while others went to let the other children know we had come. Debra asked Fabiola how she

was doing. She said she was sad because that day she found out that one of her best friends at school had committed suicide. She also said that she was sad because this was going to be her last time she could come to the club because she was moving. Debra led the conversation to spiritual things and led her to the Lord. She was excited to write the date of her salvation in her Bible! Pray that Fabiola will find a Bible-believing church in her new neighborhood where she can attend.

### Anthony and Andrés

There were 13 children who came that day! They were excited to be in the class again and very attentive. At the end of the class (as Debra often does) she asked if anyone wanted to be saved to tell her. Immediately two boys came to talk to her. Since she had a young lady from church helping that day, she asked Ruth (the lady on the right in the other picture) to lead one of the boys to the Lord while she dealt with the other boy. Anthony (standing next to Ruth) had already made a profession last year, but seemed to understand better now.

Andrés (standing next to Debra in the picture at the left) also said that he wanted to be saved. His brother and sister had been talking to him about his need of being saved. Pray for the spiritual growth of these children.

A lady in our church, Karla, suffering from severe migraine headaches contacted Debra and said she was doubting her salvation. Pray for guidance as Debra is trying to have some Bible studies with her to help her to be assured of her salvation and understand the evidences of salvation which should be evident in her life, if she is saved.

Please pray for our Bible Institute students who are taking their final exams soon. Please pray also for Steven’s health. Continue to pray for safety from the protests going on in the city which are still occurring.

Thank you for your prayers!
